Action Taken Report Academic Year 2024 - 2025

Sr. No	Particulars / Action Point	Action Taken
1	Overlap of topics across courses	The faculty members have ensured that similar topics are not repeated in different courses under MA (IS) programme. However, the nature of this programme is such that there will be certain topics in every course that will have some similarity.
2	New courses and topics recommended	The institute has designed two new courses related to International Law which shall be introduced to students in the AY 2026-27.
3	How to approach or write answers to questions to be discussed in class.	The faculty members have specifically explained during the class lectures and also during the open house about how to answer to questions both for internal and external exams.
4.	Reduction in CEs	6 CEs corresponding to 4 credit courses with each semester having 5 course is becoming quite heavy for students. Following director ma'am request to the Dean about this concern of the students, SSIS conducts 4 CEs for 4 credit courses and 2 CEs for 2 credit courses and the students are receiving this policy satisfactorily.
