

SYMBIOSIS SCHOOL OF INTERNATIONAL STUDIES

MitKat Career Counselling cum Training Programme at Symbiosis School of International Studies (SSIS)

From **3rd March 2025 to 5th March 2025**, Symbiosis School of International Studies (SSIS) hosted a structured three-day training programme on career counselling in collaboration with **MitKat Advisory Services**, focusing on risk analysis, geopolitics, social media intelligence, and professional development.

The programme commenced on **Day 1** with welcome remarks from Dr. Sukalpa Chakrabarti. The first session on *External Environment Monitoring, OSINT Tools, Report Writing, and Impact & PESTLE Analysis* was conducted by experts Ms. Nikita Bondre, Ms. Nikita Varghese, Mr. Nitish Chavan, and Ms. Aishwariya Nagar. These sessions equipped students with practical tools to identify, assess, and communicate risks in global scenarios.

Day 2 centred on *Geopolitics, SOCMINT, and Career Guidance*, Mr. Siddhant Kesnur delivered an insightful session on geopolitical applications in contemporary diplomacy, followed by modules on *fake news analysis, CV building, and networking strategies*, led by Ms. Bhoomi Shah and Ms. Akansha Mishra.

The programme concluded on **Day 3** with *Group Presentations*, where students presented their analyses and received constructive feedback from MitKat trainers, enhancing their critical thinking and communication skills.

Overall, the training successfully bridged academic learning with real-world application, reinforcing SSIS's commitment to experiential and skill-based education in international affairs.
